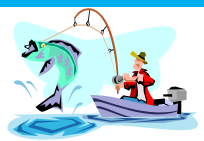
FALCON LAKE DRAW TEAM TOURNAMENT



Volume 13,Issue 11

November 24, 2015

The turnout for our November tournaments on Falcon was pretty good for this time of year. We had 25 anglers fish on Saturday and Sunday. The format was a draw team and the winners were randomly drawn after everyone had weighed in to determine the winning teams.

Saturday the team of Mark Leinweber and Fred Enriquez drew each other and they claimed 1st place. They had 5 fish totaling 18.36 lbs. The second place team was Wayne Hale and Ricky Guerrero. They had 4 fish totaling 15.31 lbs. The third place team was made up of Chuck Feely and Mark D'Spain. They had 6 fish totaling 14.87 lbs. Fred Enriquez had a 6.68 lb. fish for the day and Cody Johnson had a nice 7.66 lb. fish. The Big Bass of the Day honors as well as the new Big Bass of the Year honors went to Wayne Hale with a great 8.57 lb. fish.

Sunday the winning team was Mark Leinweber and France D'Spain with 6 fish for 13.75 lbs. Second place honors went to Gonzalo Nandin and Laura Langner with 6 fish totaling 10.38 lbs. The third place team was Stephanie Noah and Al Haughey with four fish weighing in at 9.85 lbs. Al Haughey had the Big Bass of the Day that weighed 4.53 lbs.

This was the first tournament for Mark Leinweber to fish in his new Ranger bass boat and I would say he got off to a great start; winning both days.

The club as a whole caught and released 50 fish on Saturday for 131.78 lbs. Sunday the club caught and released 46 fish for 96.58 lbs. Overall the club did about the same in November as they did in October on Falcon.

The next club meeting will be at WFSMRG on Tues., December 1, 2015 at 7:00 pm. The next action for the club will on Amistad Lake on December 5 & 6, 2015.

Big Bass Leader

WAYNE HALE-8.57 LBS.

Javie Martinez caught them two at a time on the same lure. Bet he thought he had a whopper on the line at first.

"HOOK, LINE and SINKER"

By Ricky McNiel, Reporter

The club had a good draw team tournament on Falcon this month. The total number of fish as well as the total weights were almost identical to the October totals that were caught on Falcon. Congratulations to Mark Leinweber who managed to be on the winning team both days of the tournaments. I have been telling him that he needed to buy a Ranger boat and now he believes me. Also, congratulations go the Wayne Hale who took over the Big Bass of the Year honors with his great 8.57 lb. fish. That was the only fish that he managed to bring to the scales all weekend; but he made it count. Wayne told me that his batteries were dead on his trolling motor and he had to drift fish and he still was able to catch his great fish.

I hope everyone had a great Thanksgiving and good luck to everyone on Amistad in December.
